

At the end of the lesson, the student will be able to:

* clearly describe symptoms when talking to a doctor and share some common remedies for certain symptoms.

Dialogue

A: Hello, doctor's office. How can I help you?

B: Hello. This is Mrs. Jane Fonda calling.

A: Mrs. Fonda, good morning.

B: I don't feel good. I find it difficult to breathe.

A: Uh-huh. So, how long have you had this feeling?

B: It's already a month now.

A: Would you like to set an appointment?

B: Yes, please.

A: The doctor will be here at 9am tomorrow.

Is this time favorable for you?

B: Yes, that's fine. Thanks.

Vocabulary

stuffy nose

sneezing

nausea

vomiting

shivering

dizzy

Let's Talk

1. How often do you visit a doctor?
2. What are the common reasons for visiting a doctor?
3. What are the common ways of treating medical problems in your country?
4. What do you think are the causes of the symptoms above?
