

At the end of the lesson, the student will be able to:

*share their opinion on whether humans live with or without purpose, and answer questions related to living.

Dialogue

A: What's the point?

B: The point of what?

A: Of living.

B: Who knows? You live, and then you die.

A: We must be here for some reasons.

B: Maybe we're here to have fun.

A: Then why am I not having fun?

B: Because you're thinking too much.

A: So I should stop thinking?

B: Stop thinking about what the point is.

A: Okay. I'll start thinking about having some fun.

B: Just be patient. Fun doesn't come along every five minutes.

Let's Talk

1. Have you ever wonder if there's a reason why we humans live? Why or why not?
2. How do you spend your daily life?
3. What activities do you do that would make you feel contented about living? Explain your answer.
4. Could you say that you are happy with your life as of now? Support your answer.
5. How do you have fun?
6. What events would make you feel empty inside? Why?
7. How do you cope with the challenges of life?
8. Who do you talk to when you have problems? Why do you talk to this person?
