

At the end of the lesson, the student will be able to:

*complete the gap in sentences using common prepositional verbs.

Let's Study!

think of

the idea suddenly comes into your mind

think about

needs time or concentration

hear from

receive an e-mail, letter or call

hear about

be told about something

remind (somebody) of

cause somebody to remember

dream of/about

tell your future hopes and desires

Let's Try!

1. I think (of/about) your proposal. I can't make a decision yet.
2. That's a nice idea. Why I haven't thought (of/about) it.
3. I heard (from/about) my mom. She called yesterday.
4. Have you heard (of/about) what happened last night?
5. This music reminds me (of/about) the spring season in my country.
